

BLUE SHOE ARTS
will be at
ART ON FAIR
this weekend

Saturday, August 18 from 11:00 AM - 7:00 PM
Sunday, August 19 from 10:00 AM - 5:00 PM

This is a wonderful juried fine art and crafts show held on the Fairfield County Fairgrounds. 80 artists will display and sell their artwork. Enjoy free entertainment; several food vendors will be available.

Blue Shoe Arts will have a booth on an island corner right off the main walkway. Stop in and see what new artwork our 13 artists have been creating. We will also have art products - t-shirts, jewelry, prints and note cards.

It's not too early to think about holiday shopping!! What better gifts to give than original handmade art and crafts. Hope to see you there!!
