SAVE OUR HOMES TASK FORCE – YOU ARE INVITED TO SERVE

Every week one of the top news stories is steady rise in home foreclosures across our country. The issue is affecting our economy and, moreover, the lives of people in our own neighborhoods.

The Fairfield County Housing Coalition is inviting you to join a volunteer group of concerned and proactive community leaders supporting foreclosure intervention in Fairfield County.

State Treasurer Richard Cordray's office recently approached the Coalition to discuss the formation of a Save Our Homes Task Force based upon the structure of others that have been successfully organized on the county level throughout Ohio. Some of the initiatives of our task force could include identifying community resources, conducting homeowner and professional seminars and exploring ways to effectively deliver foreclosure counseling.

Your input and perspectives would help us develop and deliver the best plan for Fairfield County. Please consider participating in a kick-off meeting for the Save Our Homes Task Force at which Scott Brown from the State Treasurer's office will present facts about foreclosures and potential ways to address this critical housing issue. You can find further information about the Save Our Homes initiative by visiting www.tos.ohio.gov

The meeting will be held on Thursday, April 10, from 9 – 11 a.m. in the Community Room at the Fountain Square Building, 111 S. Broad Street.

Thank you –
The Fairfield County Housing Coalition
